

VAL EBM

Biography

Be Moved Agency introduce VAL EBM. He is an Austrian electronic music producer and multi-instrumentalist, who performs live as Melodic Techno and House live acts.

His most notable live performances of Melodic Techno and House were held at one of the most emblematic venues for electronic dance music in Europe, specifically 'O Klub' (Austria).

This venue has hosted stars such as Stephan Bodzin, Fatboy Slim, Deborah de Luca, Sven Väth, Camelphat, among others, who have significantly contributed to its fame. In 2023, VAL EBM presented his live set at the Amsterdam Dance Event (ADE Amsterdam) in the Netherlands, the most prestigious and important meeting for electronic music in all of Europe.

Style: Electronic Music Producer – Melodic Techno & House

Biography

If you like Techno House, you need to know about VAL EBM. Welcome VAL EBM Techno to Be Moved Agency in genre House & Melodic Music.

At the age of 7, the journey began with acquiring experience in music theory, playing musical instruments, and vocal training by attending a music school. After joining several bands as a guitarist and singer, and being part of a rave sound system during his youth, VAL EBM graduated in “Computer Music”.

There, he was introduced to experimental electronic music and working with field recordings as soundscapes, and sounds from nature and industry.

On stage, the intensity and infinite variety of electronic dance music are combined with the soul and energy of playing real musical instruments and singing. Thus, each live set turns into a unique and unrepeatable experience.

Biography

Academic training is essential to excel in this industry. Studying electronic music involves not just mastering production techniques but also understanding music theory and cutting-edge technology. At renowned institutions, aspiring music producers acquire key skills.

In this way, some of the world's best DJs emerge, standing out for their innovation and ability to connect with international audiences.

The electronic music industry demands well-prepared professionals like VAL EBM, an expert in techno house.
